

## If My People Called By My Name

### Verse: 1

G D2 C2 D2  
If my people called by My name  
G D2 C2 D2  
Would humble themselves and pray  
G D2 C2 D2  
If my people called by My name  
G D2 C2 D2  
Would humble themselves and pray

### Bridge: 1

Em7 C2  
And if they'd seek Me, with all of their hearts  
Em7 D2 C2  
And turn from their wicked ways  
Em7 C2  
Then I'd hear, forgive their sin  
D2 C2 D2  
And come and heal this land once again

### Chorus:

G D2 C2 D2  
Oh Father forgive us,  
G D2 C2 D2  
We've turned from all Your ways  
G D2 C2 D2  
Holy fire consume our hearts  
G D2 C2 D2  
Give us passion for You today

### Bridge: 2

And if we'd seek You, with all of our hearts  
And turn from our wicked ways  
Then You'd hear, forgive our sin  
And bring revival to our land once again
